SELF CONTAINED COMPACTOR

MODEL SC4260-1-6

A compactor and container combined into a single efficient unit that has a built in sump with up to 1100 gallons of liquid retention capacity. It is ideal for restaurants, supermarkets, and hospitals as well as any other location where the trash that is generated has a high amount of liquid.

The superior design and high quality workmanship of this unit along with its many built in features makes it your best value on the market today.
