

CONTAINER DOGS

SPRING LOADED RETAINER SYSTEM

US PATENT NO. 11,247,916

Achieve higher payloads when using the Spring Loaded Retainer System with your existing containers.

Keep your drivers on the road instead of having them clean up spillage during container/compactor separation.

- Retro fit kits for existing container fleets*
- Teeth are applicable to all materials
- Able to customize teeth and spacing for specific materials

** It is the end user's responsibility to make sure their container door can handle the added weight of the teeth.*

While Sebright Products, Inc., strives to make the information provided on processing of your waste or recycling stream, as timely and accurate as possible, the company makes no claims, promises or guarantees about the accuracy, completeness, or adequacy of any of the provided information, and expressly disclaims liability of errors and omissions in the content of the information, or analysis provided to your company. It is solely the responsibility of each recipient of the information Sebright Products, Inc., has provided to satisfy itself as to the accuracy of the information provided by Sebright Products, Inc., and as to the efficacy of the product(s) for the use(s) intended.
