

HYDRAULIC CART DUMPERS - TIPPERS

Hydraulic Cart Dumpers - Tippers help save time, reduce back injuries, cut costs, and solve material handling problems. Our Hydraulic Cart Dumpers/Tippers can be customized to accommodate your current carts even if you have multiple cart styles.

We have several styles of Hydraulic Cart Dumpers/Tippers and decades of experience solving unique challenges presented to us by our clients. We have designed and manufactured systems that can:

- Integrate weighing, dumping, & compaction equipment
- Lift carts up to 8,000 lbs.
- Lift carts to heights of over 30 feet
- Dump your existing carts
- Dump multiple sizes and styles of carts
- Dump multiple carts at one time
- Dump manually or fully automatic
- Dump unattended from automated vehicles
- Dump through an insulated door to exterior equipment
- Safely dump from multiple floors into the same equipment
